

Care & Maintenance

BAGS AND TOTES

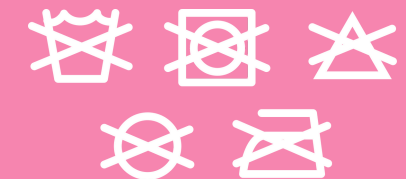

Routine Cleaning

- Remove loose dirt and wipe down with a damp cloth or sponge.
- Use mild soap and water for heavier soil; rinse thoroughly.
- Allow to air dry completely before storage.

Maintenance Tips

- Avoid overloading to preserve shape and seams.
- Store in a cool, dry place when not in use.
- Keep away from open flames and direct heat.

DO NOT:

Machine wash

Tumble dry

Bleach / Chlorine

Iron Material

**HDPE fabric is naturally mildew resistant. The use of solvents or abrasive cleaners may damage the fabric and void your warranty.*
