

Care & Maintenance

SHADE SAILS

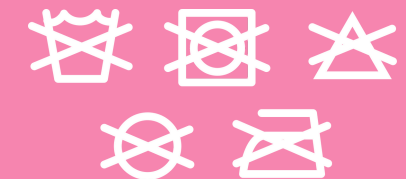

Routine Cleaning

- Rinse with a garden hose to remove dirt or debris.
- Spot clean with mild soap and water.
- Rinse thoroughly and air dry completely before putting in storage.
- Avoid harsh chemicals or high-pressure cleaning.

Maintenance Tips

- Check tension and attachment points regularly.
- Remove and store during severe weather or long periods of non-use.
- Store in a cool, dry place when not in use.
- Keep away from open flames and direct heat.

DO NOT:

Machine wash

Tumble dry

Bleach / Chlorine

Iron Material

**HDPE fabric is naturally mildew resistant. The use of solvents or abrasive cleaners may damage the fabric and void your warranty.*
